

VORTEX MEMBER APPLICATION

We are assembling the largest network of independently owned Inns, Resorts & Vacation Rental Managers and Markets. Our goal is to find the best and brightest Property Managers, Real Estate Agents and Business Professionals to join our network or open new markets. Operating a lodging sales business is not for everyone. It requires dedication, attention to detail, management of staff and vendors as well as the need to interface with owners and guests. But the rewards are many for those who can commit to take full responsibility for growing and managing a portfolio of properties. We look forward to your participation in the Vortex Organization. **Please attach your resume.**
